

Z55

55 FEET OF PERFECTION

After the critically acclaimed Z44, the obvious direction for Zeelander Yachts was to develop a larger model to accentuate its very best elements. The Z55 is nearly 30% larger than its smaller sibling, giving the owner more space both above and below decks in which to enjoy this exceptional yacht.

Whilst cutting through the waves experiencing Zeelander's famous comfortable ride quality, you can enjoy the renowned 360° view from the wheelhouse. The extended deck area includes a wet bar with four bar stools with the raised seating area behind the helm comfortably seating eight people under a sunroof to further enhance your cruising experience. Further aft, guests can enjoy the spacious casual relaxation area that can be converted into a sumptuous full outdoor dining or sunbathing area. The unique use of space also includes a midships tender garage and swim platform plus side access doors for use when mooring at the quayside.

Together with Zeelander's pioneering noise and vibration control technology, the Z55 also offers Seakeeper Active Gyro Stabilizer technology and the Volvo Penta Glass Bridge Cockpit system, together with the Volvo IPS Dynamic Positioning System to further enhance the cruising experience.

The Z55 truly offers a unique and unrivalled yachting experience.

INTERIORS PAR EXCELLENCE

Zeelander Yachts have excelled in terms of offering the Z55 owner a yacht that will exceed expectation at every level. The interior craftsmanship and utilisation of space is second to none. Zeelander's designers work with only the finest natural materials that are specially selected for the harsh marine environment, without compromising on quality.

To meet individual requirements and style, owners can choose from a stunning array of paint colours on the exterior, while Zeelander's professional and experienced interior design teams recognize the need to provide an interior that is both luxurious and practical. Below decks the Z55 offers 3 staterooms; a full beam master bedroom that is amidships and includes a private bathroom, the luxury VIP bedroom to the bow offers a private bathroom, plus a guest stateroom with bunk beds will share the day head.

The pinnacle of interiors the Z55 offers the perfect balance of superlative quality and finish with a very user-friendly allure.
